\_\_\_\_\_

Course title and number of credits

\_\_\_\_\_

Duration of project

\_\_\_\_\_

Starting date

\_\_\_\_\_

Project title

\_\_\_\_\_

Project plan (max 3000 characters)

Please Note: In order for the student to be registered on a course, he/she must first register at [antagning.se](http://antagning.se) and then send their project plan to the address given on the website. When the student starts the project, an email should be sent to Nils-Erik Heldin, confirming that the student has in fact started the project and should be registered.
